---

USM, Kabacan - A Memorandum of Agreement (MOA) signing was held between the University of Southern Mindanao (USM) and Philippine Atmospheric Geophysical and Astronomical Services Administration (PAGASA) on November 22, 2018. USM and PAGASA agreed on the establishment of an x-band radar rain gauge station as an early warning device system for flash floods.

USM Vice President for Administration and Finance Dr. Lope Dapun and PAGASA Administrator Dr. Vicente Malano met Thursday to sign the MOA at the USM Admin Skyroom. Present also during the signing were Kabacan Municipal Administrator Mr. Ben Guzman and representatives from USM and PAGASA.
